Metro Printing Press Ltd.

Metro Printing Press, Sharjah established in 1981, a pioneer print-house in the United Arab Emirates is specialized in Conventional and UV metalized printing and has a complete in-house setup covering an area of 55,000sqft of own property.

Metro Printing Press is equipped with the latest technologies in Pre-Press, Press and Post Press. Metro Printing Press has a dedicated and strong work-force of 100+ employees.

We are specialized in the packaging of Soft Boxes and Rigid Hard boxes for Perfumes, Cosmetics, Pharmaceuticals, Confectionaries and FMCG. We also provide commercial printing solutions for brochures, catalogs, magazines and vouchers.

ABOUT US

Metro Printing Press has been in operation for more than four decades in the United Arab Emirates. Metro Printing Press is owned and managed by the SAIT group. Over these years the company has not only grown to its excellence but has constantly thrived to bring in the latest advancements in the industry.

We were one of the early birds to bring in UV printing technology in the country. We are specialized in Conventional and UV Printing. We are proficient in the packaging of soft boxes and rigid hard boxes for Perfumes, Cosmetics, Confectionaries, Pharmaceuticals and FMCG. Commercial printing needs such as brochure, catalogs, magazines and vouchers are also serviced by us. We have serviced a good number of clients from the United Arab Emirates and other countries in the GCC.

Our goal is to create long lasting relationships with our customers, as we believe satisfied clients are the backbone for the success of any business. For that we look forward to provide top-notch services for customer satisfaction from the moment you walk in the doors of Metro Printing Press.

More than four decades in the industry and adhering to international quality standards has helped customers to consider us a reliable business partner for their 'all under one roof' print house in the United Arab Emirates.
